

Principles of Spatial Analysis

SHORT LECTURE 02, WEEK 05: EXPLORATORY (SPATIAL) DATA ANALYSIS

Exploratory (Spatial) Data Analysis

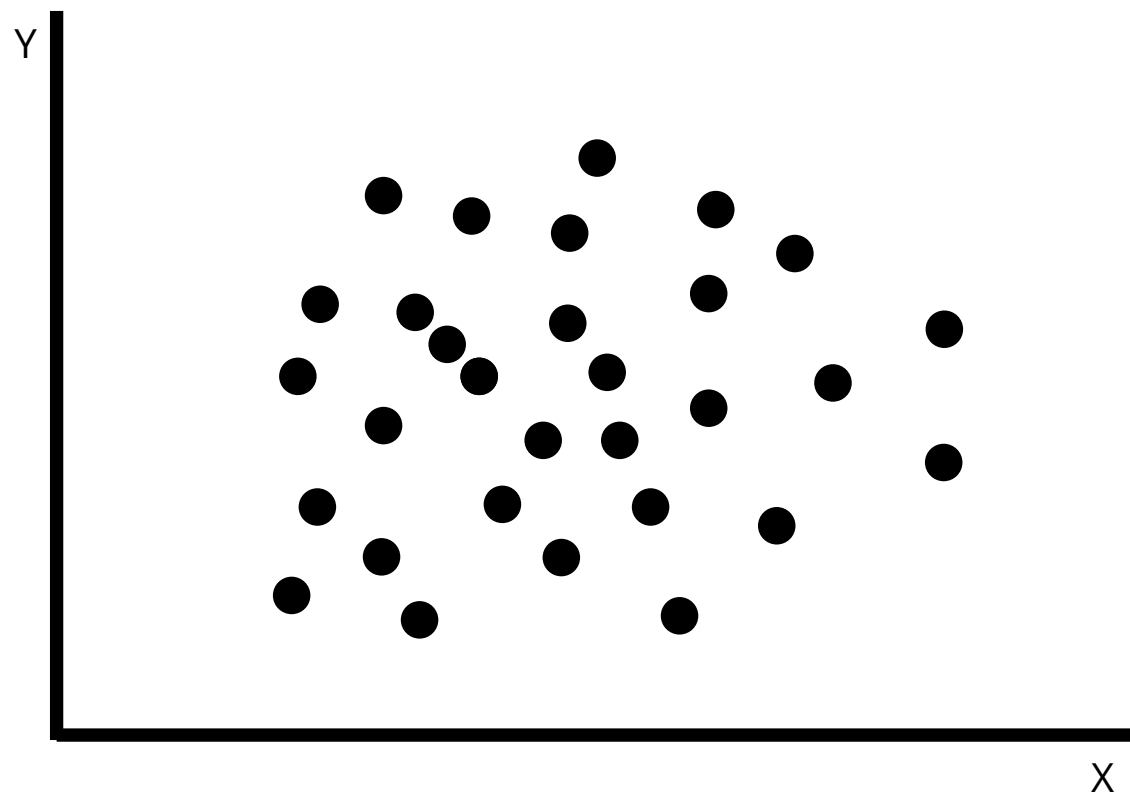

everything goes

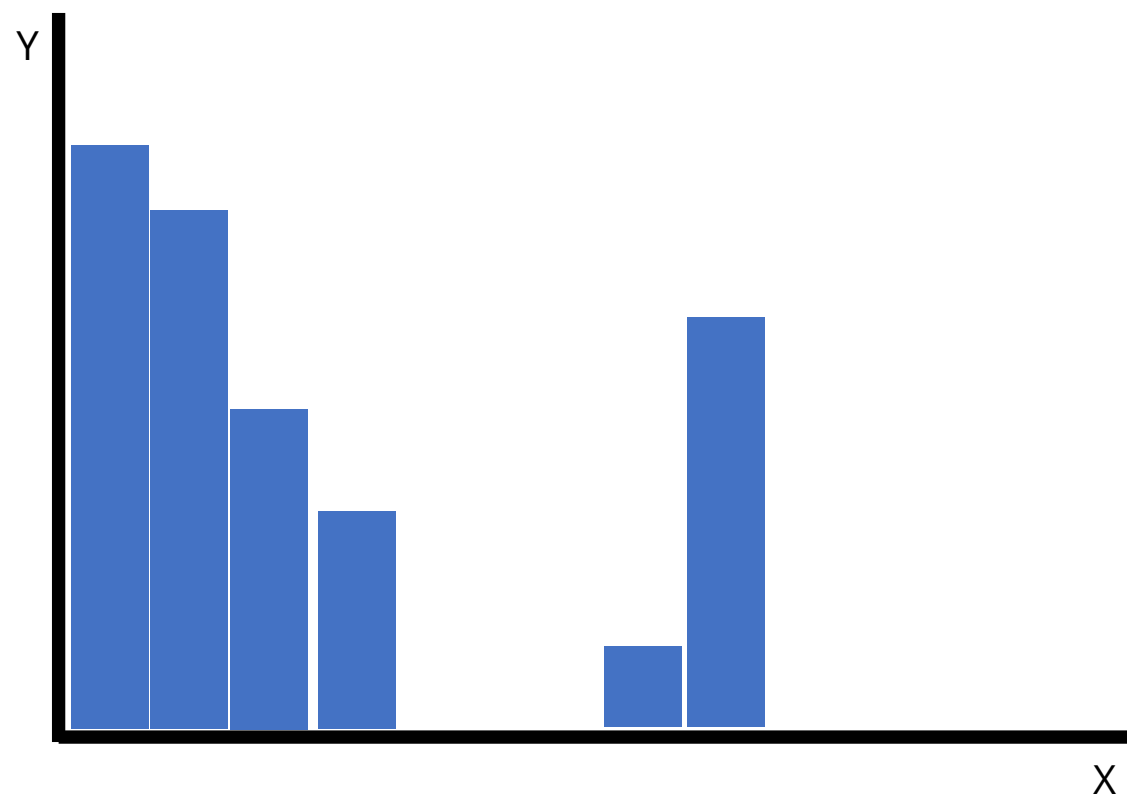

what type of variation occurs
within my variables?

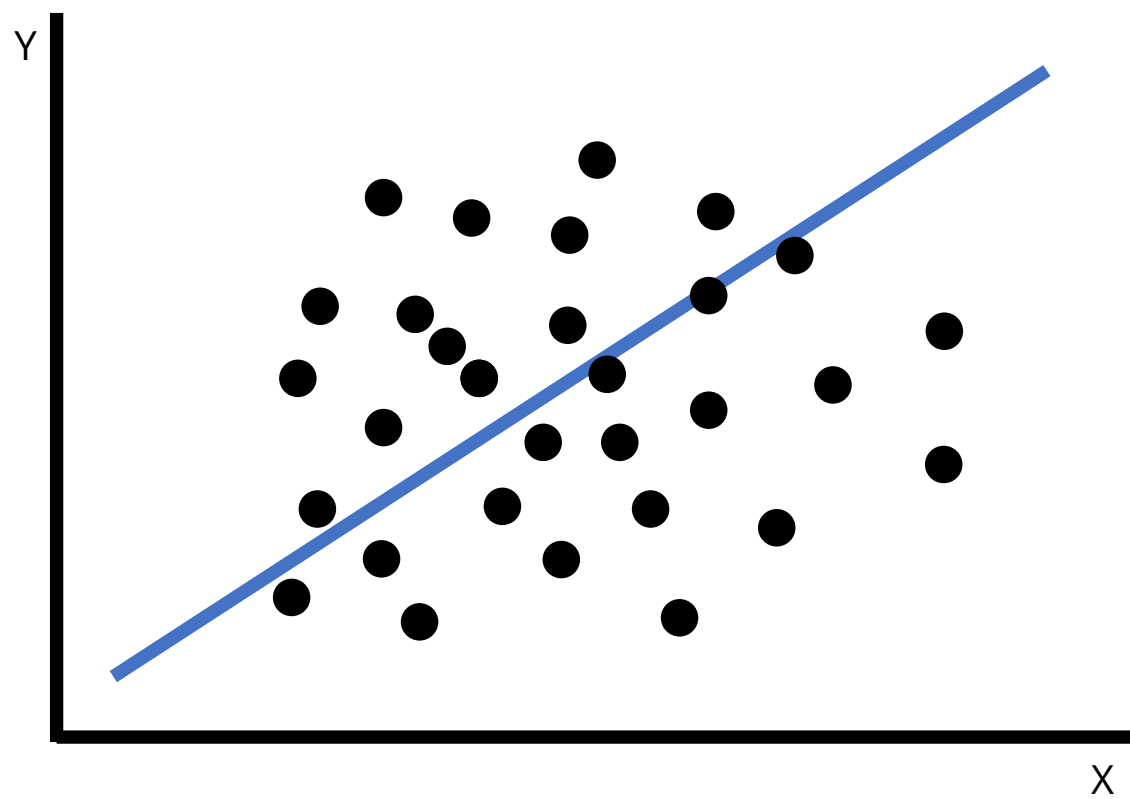

what type of covariation occurs
between my variables?

generate questions
about your data

visualise, transform, model
your data

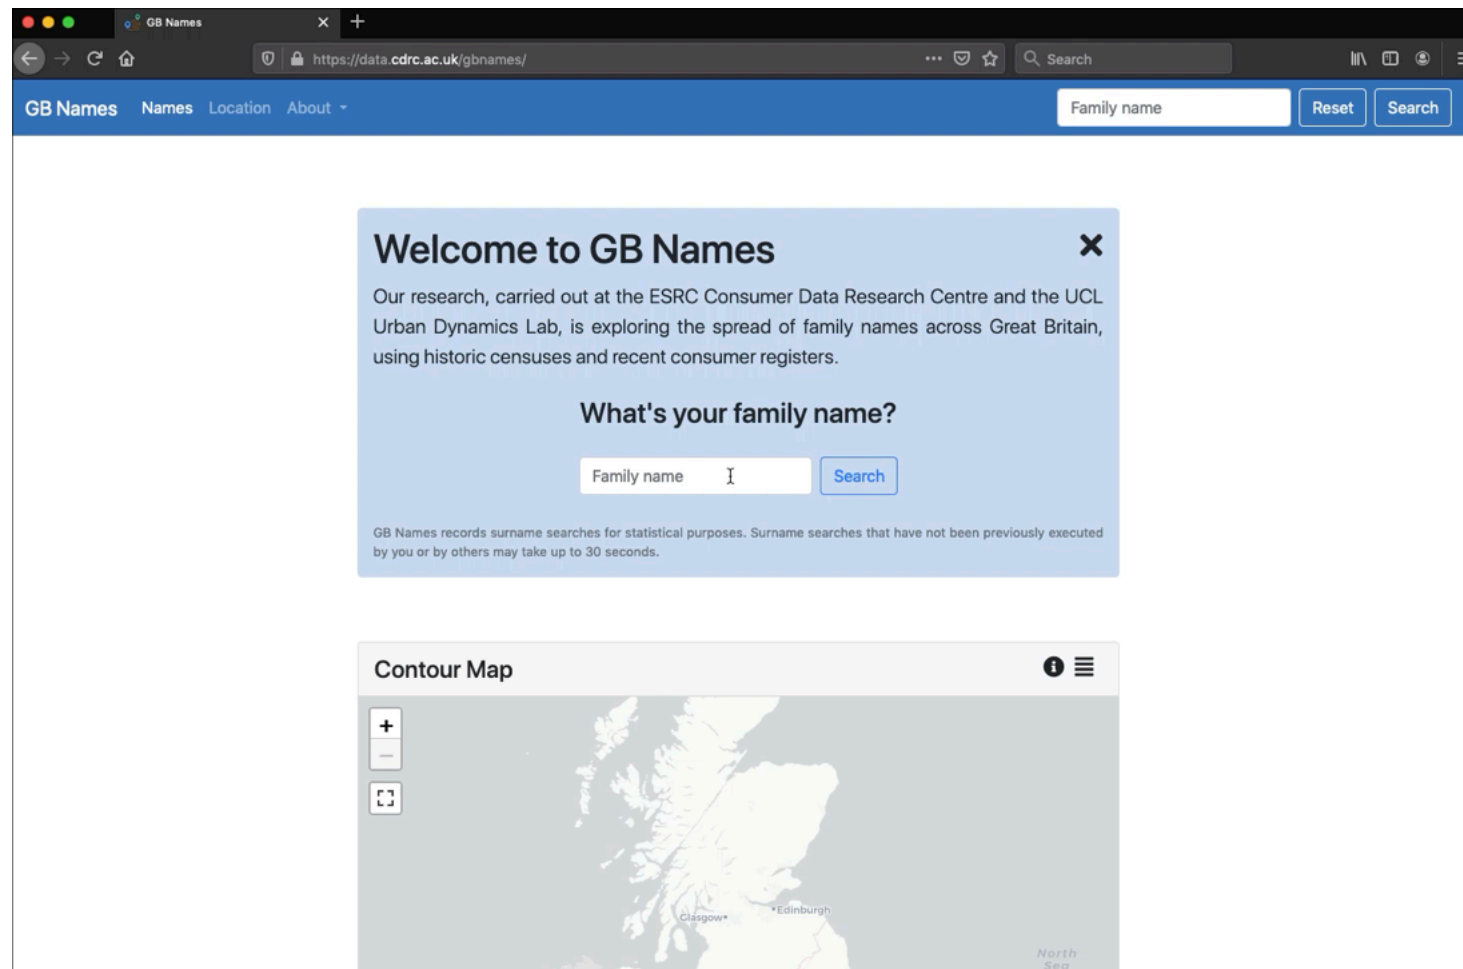

refine

your questions and come up with new questions

map
your data

let's put it into practice
